ROKY 115 - Wet & Dry Vacuum

Kerrick's number one selling wet dry vacuum cleaner of all time! The Roky 115 wet and dry vacuum cleaner is a mid-sized, high suction machine that picks up both wet and dry waste. Its robust reliable nature, coupled with its user friendly system makes this vacuum cleaner popular highly popular with automotive detailers and workshops around New Zealand.

Trade Price: \$580.00 +GST
March Only: \$399.00 +GST

Valid until 31st March 2019

LAVA - Shampoo Machine

The Lava is one of the most versatile shampoo machines in the Kerrick range. It is a dry vac, a wet vac, an upholstery extractor and a carpet extractor. The Lava comes complete with a dry filter bag and dry vacuuming tools, wet floor squeegee and an upholstery tool. Recommended for use with Kerrick Brydet shampoo chemical.

Trade Price: \$818.85 +GST
March Only: \$549.00 +GST

BIE1512F/S - Electric Water Blaster

This industrial grade water blaster features an Italian triplex piston pump, four pole electric motor and a Flow Switch. The Flow Switch is a timed stop mechanism activated when operators release the triggers on their gun. The system protects the unit as the water blaster can never run without water and is particularly useful in situations when there are multiple operators e.g. car wash bays.

Trade Price: \$2,950.00 +GST
March Only: \$1,950.00 +GST

RHINO - Hot Water Blaster

The Rhino packs plenty of punch with 1750 psi and a flow rate of 11 litres per minute. The low speed Interpump ceramic plunger pump offers much longer operational life than older style high speed machines. This hot water pressure cleaner is now a firm favourite with the hire industry.

Trade Price: \$6,700.00 +GST
March Only: \$3,995.00 +GST
